OUR PHILOSOPHY

Steel builds structures. Education builds people.

At NIF Ispat, we believe a company's strength is measured not just by the tonnage it produces, but by the lives it transforms. The communities around us are not bystanders to our growth — they are its foundation.

Education is the one investment that never depreciates. Every classroom we build today creates compounding returns for generations — in knowledge, in opportunity, and in the dignity of a child who grows up knowing that someone believed in their future.

01

Service

Growth that gives back to the community it comes from.

02

Legacy

Building assets that outlast any single generation.

03

Purpose

Profit with meaning — because numbers alone are never enough.

Location	Dalla, Habibpur
Investment	₹50 Lakhs
Facilities	8 Classrooms + Store-Kitchen + Toilet
Today	320 students today
After Completion	400 students after completion
Expected By	July 2026

SCHOOL 01 · PURULIA, WEST BENGAL

SRI SRI GYAN MANDIR - Chandra —

*Where Walls Are
Being Built for the First Time.*

In the village of Dhanaradih, tucked in the hills of Purulia, Sri Sri Gyan Mandir Chandra has been doing something remarkable with very little — educating 60 children in conditions that demanded far more than was available.

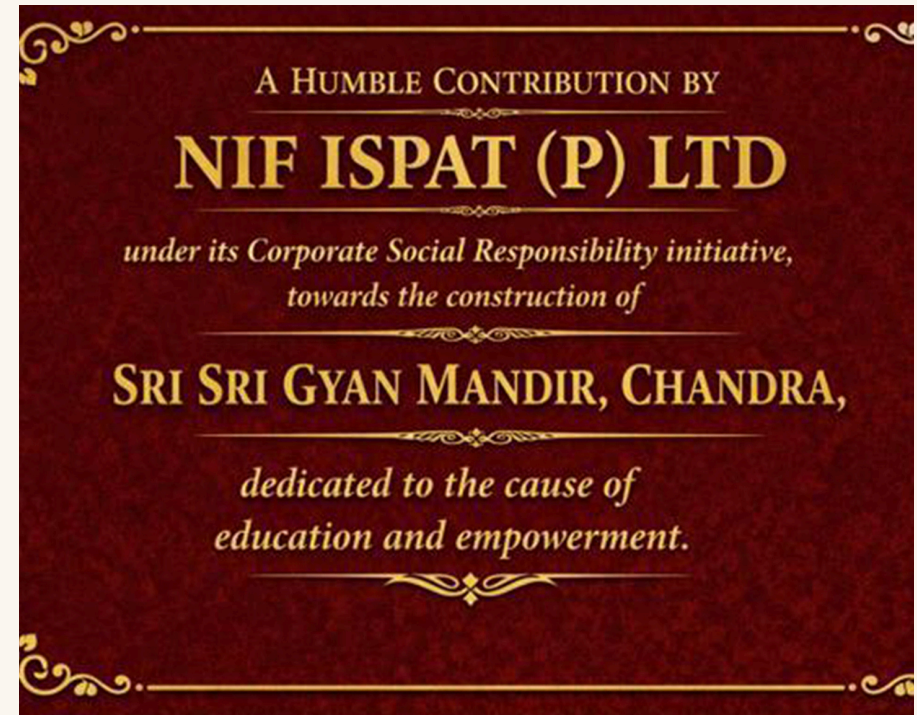

NIF Ispat's contribution is not charity. It is recognition — that these children deserve the same solid walls, the same clean facilities, and the same sense of permanence that every child in a city takes for granted.

60 → 150

Students: Before & After

Expected Completion

SCHOOL 02 · MALDA, WEST BENGAL

SRI SRI GYAN MANDIR Dalla —

*A School Already Thriving,
Now Built to Match Its Dream.*

Sri Sri Gyan Mandir Dalla in Malda is not a school that is waiting to begin — it is already alive with 320 children whose hunger for learning has long outgrown the space that holds them.

What NIF Ispat is building here is not just 8 classrooms. It is the answer to a community that believed, kept going, and finally has a partner willing to build something permanent around that belief.

320 → 400

Students: Before & After

*dedicated to the cause of
education and empowerment.*

Where We Are Today

Chandra · Purulia

↳ Plastering & finishing work underway. On track for June 2026.

Dalla · Malda

↳ Multi-storey structure being raised. Concrete casting ongoing.

550+

Children.

Two districts.

Two schools.

One chance at a better life.

These are children in villages where the nearest city feels like another world. Where a roof over a classroom is not a given. Where a clean toilet is a luxury, not a standard.

What NIF Ispat is building is not square footage. It is safety. It is the signal to every child in Purulia and Malda that they matter — that their education is worth building something permanent for.

Two Schools. Two Districts. One Purpose.

₹90 Lakhs

Total Investment

100% funded by NIF Ispat

550+

Children to Benefit

Across Purulia & Malda

2

Districts Served

Rural West Bengal

12

Classrooms Built

4 in Chandra, 8 in Dalla

150%

Capacity Increase

At Chandra school

25%

Capacity Increase

At Dalla school

From Construction Site to Centre of Learning.

June 2026

Chandra Handover

Construction complete. School handed over to the Art of Living Foundation. 150 children begin the next academic year in a fully equipped facility.

July 2026

Dalla Handover

Dalla's multi-storey building handed over. 400 students — existing and new — gain access to 8 classrooms, clean sanitation, and a kitchen.

Beyond 2026

A Legacy Takes Root

Both schools become permanent fixtures in their communities — educating generation after generation, long after the last brick is set.

WITH GRATITUDE AND HUMILITY

Dedicated to the Cause of Education and Empowerment.

This initiative is NIF Ispat's humble offering in support of the vision carried forward by the Art of Living Foundation — a vision where every child, in every village, has access to knowledge, light, and the tools to build their own future.

We are grateful for the guidance and inspiration that made this possible.

We are grateful for the opportunity to serve.
